

Vision

The BATAAC WATER DISTRICT envisions itself to be a world-class provider of safe, potable and affordable water to every home in the City of Batac.

Mission

It is the mission of the men and women of Batac Water District to deliver 24 hours a day safe, potable and affordable water at the most convenient way to the people of Batac.

It is also the mission of the Batac Water District to help protect, preserve and maintain the Mother Earth the very source of its existence.

Core Values

We abide by these core values in order for us to move forward:

Customer Focus - We are committed to listen, deliver quality service and take ownership of our concessionaire's problem until it is solved.

Team work - We work together and support each other to achieve the goals of the District.

Integrity - We abide by the highest work ethical standards, acting with honesty and honor without sacrificing the truth.

Accountability - We are responsible for our success and failures.

Commitment - We are committed to provide safe, potable and affordable water to every home in the City of Batac and committed to demonstrate corporate social responsibility to the community.

Safety - We ensure the health and safety of our concessionaires and employees as well.
